# How to Volunteer

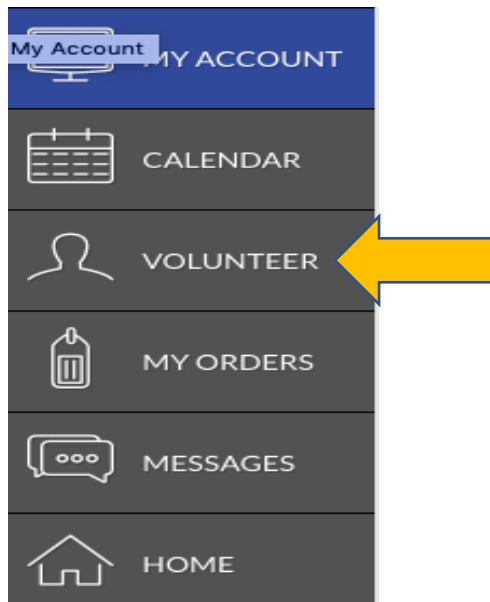

## Guide to Volunteer Registration

The purpose of this guide is to provide our potential volunteers with a guide in how to become a volunteer within our program. Atlee Little League takes very seriously the well-being of all our participants and their families. We are required by Little League International and the law to perform background checks on all persons with direct contact to your and our children. Our division directors have been instructed to consult with their team managers to compile a list of volunteers who will be helping them during games and/or practices to ensure that all persons are complying with these mandated requirements. Any volunteers failure to comply may result in your removal by the ALL Board of Directors.
