Time Limit (Regular Season): No new inning will start after one hour and forty-five minutes. All regular season games will have a two-hour drop dead time limit.

Batting Lineup: Continuous batting lineup will be used.

Minimum Play: Must play defensively at least every other inning. All players must sit out once before anyone sits out a second time. All players must play at least 2 innings of infield. The catcher's position is not considered an infield position to meet infield requirements.

Run Limits: A half inning will be complete when 5 runs are scored or 3 outs are made, whichever occurs first.

Number of Players: A game may start or continue with only 8 players. When the 9th position comes up in the batting order, the position is skipped without penalty as long as it is vacated. Defensively, the coach can choose which position to leave unoccupied.

Pitching: Prior to a date determined by the division director, after the 3rd batter receives a walk or hit by pitch, the manager or coach of the batting team will pitch for the duration of the half inning. The manager or coach shall deliver the pitch using an underhand motion with as little arc as possible. When the manager or coach is pitching, the batter may not advance to first base by walk or hit by pitch. A pitcher may only pitch 2 of the first 4 innings.

Stealing: When stealing, there is no advancing on an overthrow. No stealing of home is allowed. No stealing is allowed when the manager or coach is pitching.

Bunting: No bunting when the manager or coach is pitching.

Baserunning/End of Play: Baserunners may, at their own risk, advance only one base on an overthrow per batted ball.
