

District V Interleague Proposal

Baseball:

- Continuous Batting Order (all players present are in the batting order).
- standard 5-run limit in all minor divisions (green book but important to call out as local leagues can suspend this rule via board vote).
- 7-run limit per half inning in majors and up.
- Standard Mercy Rules (15 after 3, 10 after 4 in Majors and below; 15 after 4, 10 after 5 in Intermediate and up)
- All other rules are by the LL Baseball rulebook other than Time Limits (Regulation X(c) & Regulation VII).
 - Majors and below - No new inning after 1 hour 45 minutes.
 - Intermediate - No new inning after 2 hours.
 - Juniors and Seniors - No new inning after 2 hours 15 minutes.
- Leagues interleagueing in Tee Ball, Machine Pitch or Coach Pitch divisions must establish some common rules to play by, as these divisions allow for local deviations from straight up LL Baseball rules.
 - 4 outfielders for MP and below was agreed to at the district level
- Little League gives local leagues the option of starting regulation games with 8 players (I believe Rule 4.16) without penalty
